

2011 Conference

BioFinance 2011

Is the leading investor conference
in Canada for the life science industries.

The two day event brings together key industry players and companies interested in investment opportunities and issues affecting the life sciences sector. Over 60 presenting companies spanning a range of industries including biologics, medical devices, drug delivery, vaccines, diagnostics, bio-energy, bio materials, industrial biotech, and research services are scheduled to attend.

With more than 60 life science company presentations, BioFinance 2011 will showcase diverse life science companies, their contribution and the investment opportunities they represent. BioFinance 2011 will also feature 14 investor panels that address specific financing and management issues relevant to these industries.

The conference participant list will include company CEO's, CFO's and senior executives, institutional and private equity investors from Canada and the United States, industry analysts, corporate finance executives and experts from pharmaceutical and biotech communities in Canada, the U.S. and Europe.

BioFinance 2011 begins with a gala Opening Reception on May 31 and concludes with a Sponsor's Reception on June 1. In addition to the BioFinance program, sponsors will also be hosting individual events on Tuesday, May 31 for presenting companies and attendees.

May 31 & June 1, 2011

St. Andrew's Club & Conference Centre
150 King Street West, Toronto
